

# YORKSHIRE LAND ROVER OWNERS CLUB

Hello!

This letter is to invite you to a May Day trialling and camping weekend planned by the Yorkshire Land Rover Owners Club.

For a number of years now, we have been holding a 3 day trialling event at our Crosshills site on the May Day weekend.

This has been a successful event in the clubs diary and has proven to not only be an exceptional competitive and social weekend, but a good shake down of both motors and drivers in the run up to the ALRC National!

As this year marks our club's 40th anniversary, we have decided to open the event as an interclub and invite members of all ALRC clubs to attend. The site is situated between Ilkley, Skipton and Colne, and provides a wealth of terrain for all types of off road events, along with good camping grounds, making it perfect for an open event.

As we have been given an extra bank holiday this year by the royal wedding, the event will run from Thursday 28th of April to Monday 2nd of May. A camping field is provided for the full length of the event, so whether you want to compete or just come and join the gathering, everyone is welcome, we encourage social events on site, BBQ's pub trips etc, so there is plenty to come for!

We will be running an CCV event on the Saturday (30th April) and an RTV event on the Sunday (1st May), a booking form for these events as well as camping can be found in this pack.

We'll also have a scenic off road course available from the Friday to the Sunday, with groups leaving at set times. This course will cost £5 per vehicle per run, (payable on the day) and half the funds collected will go to 'Help our Heroes', so feel free to go round as many times as you like!

With this letter, you'll find a booking form, please have all entries back to us before the 17th of April. For more details, contact us at: [info@ylroc.co.uk](mailto:info@ylroc.co.uk) or on the address overleaf, or you can visit our website at [www.ylroc.co.uk](http://www.ylroc.co.uk).

Happy motoring and we look forward to seeing you there!

Best regards,

The Y.L.R.O.C. Team

# Directions

Cross Hills is located between Skipton, Keighley and Colne at the Junction of the A629 (Skipton Road) and the A6068 (Colne Road).

The address of the Site is:

Manor House farm  
Lothersdale Rd  
Glusburn  
BD20 8JB

Map Details are:

OS Grid Ref SD986456 Land Ranger 103  
Lat 53° 54' 22.89" N  
Long 2° 01' 16.78" W

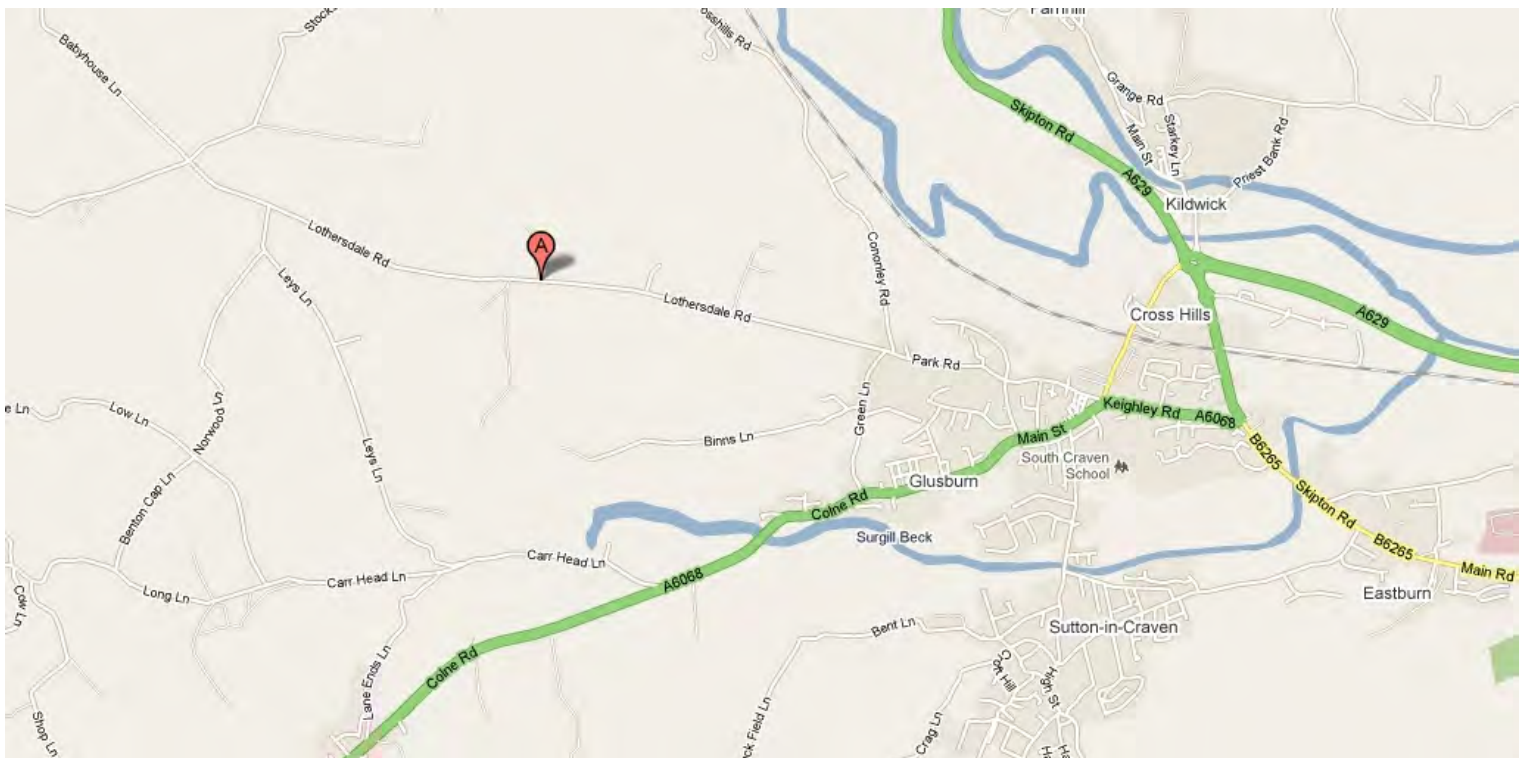

## Directions:

From A6068 (from Colne):

Enter Crosshills on A6068. At mini roundabout (police station on left), turn left onto Wheatlands Lane. After 200 meters, follow the road round to the left, (becomes Park Road then Lothersdale Road). The road climbs out of Crosshills and the site is on the right after approximately 1 mile, (will be signposted).

From A629 (from Keighley or Skipton).

At roundabout with A6068, take A6068 for Crosshills. Proceed straight over immediate roundabout and over railway crossing. At next junction (antiques shop on right), bear right following A6068 into Crosshills. At mini roundabout (police station on right), turn right onto Wheatlands Lane. After 200 meters, follow the road round to the left, (becomes Park Road then Lothersdale Road). The road climbs out of Crosshills and the site is on the right after approximately 1 mile, (will be signposted).
